

YOU BECOME WHAT YOU WORSHIP

How Worship Shapes Identity, Desires, and Daily Life

BIG IDEA

Worship is more than singing.

What we treasure most shapes:

- our hearts,
- our choices,
- our habits,
- and our lives.

Everyone worships something.

KEY SCRIPTURE

Matthew 6:21

“For where your treasure is, there will your heart be also.”

ADDITIONAL SCRIPTURES

- Psalm 95:1–7
- Romans 12:1–2
- Colossians 3:1–2

WHAT IS WORSHIP?

Worship is: *what we value most.*

What captures our hearts eventually shapes:

- how we think,
- what we pursue,
- what we love,
- and who we become.

True worship centers upon: *God Himself.*

THREE IMPORTANT TRUTHS

1 EVERYONE WORSHIPS SOMETHING

People may worship:

- success
- popularity
- entertainment
- sports
- money
- relationships
- or themselves.

What we treasure most shapes our lives.

2 WORSHIP SHAPES IDENTITY

What we constantly focus on affects:

- our desires,
- attitudes,
- priorities,
- and habits.

Worship is not only a Sunday activity.
It shapes everyday life.

3 GOD ALONE IS WORTHY OF WORSHIP

God deserves worship because:

- He created us,
- loves us,
- saves us,
- and reigns over all things through Jesus Christ.

True worship leads believers *closer to Christ.*

THINK ABOUT IT

- 1 What kinds of things compete for people’s attention and hearts today?
- 2 Why do people become shaped by what they focus on most?
- 3 How can worship affect daily choices?
- 4 What helps Christians keep Christ at the center?

WEEKLY CHALLENGE

This week:

- pay attention to what captures your attention most,
- spend intentional time worshipping God,
- read Scripture daily,
- and ask God to shape your heart toward Christ.

Ask yourself: *“What is shaping me most right now?”*

PRAYER FOCUS

Father, thank You for creating us to worship You. Help us love Christ more deeply and shape our hearts, desires, and lives around Your truth and glory. In Jesus’ name, amen.

MEMORY VERSE

Matthew 6:21

“For where your treasure is, there will your heart be also.”
